"Paws for a moment" and license your dogs

The City of Colton will be hosting its third and final low-cost dog vaccination/license clinic on Saturday June 29th, from 9:00 am to 10:00 am. The event is to be held at 104 West D Street, on the Southwest corner of La Cadena and D St. in Colton. The City's Animal Services, Finance Customer Service Representatives, and Dr. Cox will be at the location to assist in licensing and vaccination needs.

The cost to license unaltered dogs is $50 and altered dog (spayed/neutered) is $9. Senior Citizens, at least 65 years of age, receive 50% off licensing fees. Rabies vaccinations are $10, Bordatella is $10, and 6 in 1 is $12.

Valid identification is required to obtain a dog license. For license renewal only, proof of rabies vaccination is required. Proof of spay or neuter is required for the discounted dog license. Please make sure your dog is leashed. Should any pet owner feel that they need to keep their pet away from the other dogs based on the dog's temperament, please notify an animal services representative so that your pet can be safely licensed/vaccinated.
